

BRANDON DUSTIN JEFFREY

brandon@structurae.com ~ 30 Whispering Pines ~ Boulder, CO 80302 ~ 303.465.2903 ~ www.structurae.com

OBJECTIVE

As a professional engineer I am working towards high standards of professionalism to protect the public's safety and welfare by practicing with excellence the engineering profession.

EDUCATION

COLORADO STATE UNIVERSITY

Master of Science Civil Engineering, August 8, 1998
Structural and Solid Mechanics Engineering

COLORADO STATE UNIVERSITY

Bachelor of Science Civil Engineering, May 16, 1997
Engineer Intern (EI), FE exam, April 20, 1996

Relevant course work:

- Continuum Mechanics
- Structural Analysis
- Finite Element Analysis
- Advanced Concrete Design
- Infrastructure Management
- Advanced Wood Design
- Advanced Mechanics of Materials

EXPERIENCE

STRUCTURAE, LLC. WESTMINSTER, CO

Project Manager / Owner April 12, 2004 – Present

Duties: Complete structural engineering design for residential, commercial, industrial, institutional, and retail buildings. Provide clients complete structural analyses, calculations, drawings, and assistance in the building construction phase. The construction phase observations can include concrete reinforcing, steel framing & welding, timber framing, etc.. Also, we provide complete residential architectural drafting.

COLORADO REGISTERED PROFESSIONAL ENGINEER

Registration Number 38098

Structural I Exam, December 29, 2003

ENGINUITY STRUCTURAL CONSULTANTS, LLC. LOUISVILLE, CO

Project Engineer July 14, 1999 – May 16, 2003

Duties: Complete structural engineering design for residential, commercial, industrial, institutional, and retail buildings. Provide clients complete structural analyses, calculations, drawings, and assistance in the building construction phase.

Duties: Six-week boot camp to gain mental, leadership and military training.

Accomplishments: Army ROTC Scholarship, Camp Challenge, and Gauntlet Award.

COMPUTER SKILLS

- Auto Cad
- Finite Element Analysis
- Graphics Software
- Programming
- Spreadsheets
- Technical Papers
- Technical Presentations
- Internet
- Structural Engineering Software: Cold Formed Steel, Enercalc, Risa, PC Slab, TJ Beam, Math Cad

Excellent personal and professional references provided upon request.
